2. **(20 mins) PAC Business.**

Graham spoke to us about the Days of Service grant program they offer where a minimum of 3 volunteers from Royal Bank will come to any event we need assistance with as long as General Vanier volunteers are present and working the event with them. They will come out to a maximum of 5 events a year and donate \$975.00 each time to General Vanier PAC just for volunteering and allowing them come out to help. These events need to be a minimum of 2 hours long.

Staff appreciation was brought up with an idea to host that event Nov 22 but not all staff are present that day. Allie will forward dates to Tom on what possible PD days all staff are present and we will look at planning the event on one of those days.

3. **a. Signup Genius** - Mass email was being sent to all parents who offered to volunteer through out the year but only Carla received the email and she is going to check that out with Tom.

b. HealthyHunger - Our first Dominos lunch with healthy hunger was smooth. No issues were present and under 100 orders were delivered but we are hopeful next month will increase. PAC brought up the idea of a possible Subway lunch to be planned for December. Allie will talk to Joanne about this.

c. Movie Night - November 16 is the first scheduled movie night this year and the permits are in place. The other movie dates planned are January 18 and March 8

b. Allie brought up a possible school clothing fundraiser idea. We would possibly send out order forms late November. The possible company we would go with is called Silver Tip Sports and Allie will help negotiate pricing. We would like to see at least one item priced at \$10.00 or less.

6. (10 mins) New Business

a. Recess supervision - Staff are asked to wear vests at recess duty so the students can help identify them better. They are doing a good job at making sure the children are not bothering the neighbours.
