We have estimated ordering approximately 350 shirts with both front and back printing at a cost of \$2158.58.

April 15-18 is I love to Read week

Spirit week is this week. Kids are most excited for Friday's event because each classroom has come up with a theme to decorate and the students tour each class and then take a vote for the best homeroom classroom.

Sled evacuation was practiced this week as part of a yearly routine. 3 entrances were manned and 2 staff members made sure the students were secure going down the stairs.

No change is staff for next year. Starting in April parents can give email admin and give suggestions for their child's class placements next year. Parents will see information about this in April's stingray email.

A Youth Achievement program with different levels is in place for students going into high school. They can apply for this.

6. New Business (10 mins):

Howden is hosting an Internet Safety guest speaker on April 4th 6:30 pm for parents to attend. They need numbers to make sure they have enough interest for this event to happen.

Winakwa Community Garden is renting plots for anyone that is interested in having a garden this year.\

Amanda is looking at ways to increase our GV PAC Facebook followers. Connie and Allie suggested they will advertise it in the Stingray emails.

We talked about getting an Instagram account set up for PAC events. Amanda will look into setting this up.

NEXT MEETING: April 16th 7:00-8:00pm in the library.
