**a. Lunch Program:** May 28<sup>th</sup> will be the final Hot lunch for the school year. We had a total of 10 lunches this year and Healthy Hunger was a great program to work with. Joanne suggested maybe some more advertising about Healthy Hunger would be beneficial moving forward. Allie suggested maybe a poster for each classroom with the dates so that the students can see if and the teachers can talk about it would be extremely helpful. Sales for lunches were down a little this year compared to last, but this was the first year implementing the new program.

**b. Dance:** Allie and Chris both said that the dance went really well. The kids were all well behaved and there were no issues. Chris suggested next year we eliminate selling popcorn and maybe just have candy bags and pop since majority bought pop.

Tom will ensure he buys veggie hot dogs, halal hot dogs and a pack of gluten free buns.

At 2:15 all students will assemble by the school parking lot and a small assembly will take place. All staff and students are expected to be back around 3:05.

Allie will talk to grade 8 student Hayden to see if he would like to volunteer to be the music DJ at the BBQ. Michelle Patton will have a hair braiding station set up.
